GOVT: DEGREE SCEINCE AND COMMERCE COLLEGE BLOCK 07 GULSHAN E IQBAL KARACHI .

INTERMEDITE   _   2021-2023

NUML(NATIONAL UNIVERSITY OF MODERN LANGUAGES) : BSCS - 2024 (PERSUING)

PROJECTS

TIC TAC TOE IN C++ :

C++ is an object oriented programming language. I made a project with a peer of three friends. I made a tremendous report which was also appreciated by our Tutor and Academic staff. As a beginner that project amazed me and I got a chance to improve my problem solving skills. That was the First Semester's project . Tic Tac Toe is basically a Logical game commonly known as(tick and cross as well).

SKILLS

. HTML Language   . C++
. CSS   . Communication Skills
